TRANSCRIPT

Michelle: And Barack and I were raised with so many of the same values: that you work hard for what you want in life;

Melania: the values: that you work hard for what you want in life;

Michelle: that your word is your bond and you do what you say you're going to do;

Melania: that your word is your bond and you do what you say and keep your promise;

Michelle: that you treat people with dignity and respect,

Melania: that you treat people respect

Michelle: And Barack and I set out to build lives guided by these values, and to pass them on to the next generation.

And we need to pass those lessons on to the many generations to follow.

Michelle: Because we want our children -- and all children in this nation -- to know that the only limit to the height of your achievements is the reach of your dreams and your willingness to work for them.

Melania: Because we want our children in this nation -- to know that the only limit to your achievements is the strength of your dreams and your willingness to work for them.
